### **TELEVISION PROGRAM**

(A Production of the Nandi Basava Corp.)

**NEW YORK • PHILADELPHIA / DELAWARE • CHICAGO • SAN FRANCISCO**

**Feb. 05, 1993**

**From: Dr. B. Viswanath, Executive Producer**

**To: Mr. J.A. Stroud, General Manager, WJYS Ch. 62**

**Dear Mr. Stroud:**

It has been a pleasure to have been a part of the WJYS family with our program Vision of Asia for the past year. We wish to thank you for the opportunity to telecast this program.

The Chicago market has a high population of Asians, but there was not a station in this market that allowed us the opportunity to bring news and entertainment to our ethnic group. Your station was the only one that had time available for our program.

Your station has proven to be an asset to the Asian community in Chicago. Thank you.

**Sincerely,**

  
f-Dr. B. Viswanath

Dear Mr. Jones:

After several years of appearing on other television stations as a guest of other ministries, God began to prepare me for a ministry of my own. Ten years later while watching Channel 62, God impressed upon me that now was the time. Thank God you were there to give me that open door for H.U.G.

It has been a pleasure to have an opportunity to minister to so many souls needing prayer and encouragement. This station is an asset to our community as souls are won across the airwaves.

May God continue to bless and direct you to even greater endeavors.

Sincerely,

Dear Mr. Hunter:

Salvation Christian Ministries is pleased to attest to the integrity, and professionalism of WJYS Channel 62. Since the inception of our business relationship in 1991, there has never been a time when I questioned your ability to provide the best in service and media coverage.

SCM has a 24-hour prayer line with live counsellors working seven days a week ministering to the needs of people across the U.S. Our greatest number of callers are from the Chicago area. On a recent visit to your city, I was privileged to meet many of the viewers of our telecast. They shared testimonies about how much SCM and the prayer line meant to them, and how they enjoy the move of the Holy Spirit via television. This type of response is a continual confirmation that we made a wise decision in airing on your station. We have been commissioned to reach souls for Christ, and Channel 62 in Chicago has enabled us to fulfill our call.

Time will not permit me to write in detail the important role WJYS Channel 62 plays in aiding us to publish the gospel of Jesus Christ. There is no greater work than that of saving lives. We appreciate the WJYS staff.

In Christ,

Dear Mr. Stroud:

Broadcasting on your station over the past year has tremendously assisted Fireball Faith Church in Christ Jesus in carrying out our main purpose, which is to spread the gospel of Jesus Christ. Today, with the spreading of Aides, increase in gang and drug activity, and the general state of affairs, it is imperative that every means of evangelizing God's word be utilized.

To that end, each Sunday, we enter the homes, prisons, and hospitals of multitudes who direly need to experience the explosiveness that emanates from the never-sated anointed

Dear Mr. Stroud:

It is with greater pleasure and extreme satisfaction that I sit down and write you. Since I began broadcasting on WJYS, your station has provided me with a medium that has enabled me to reach a larger segment of the viewing audience in Chicago.

From the initial telecast of the Breakthrough Hour, our prayer line has been used steadily by viewers who were suffering from different ailments, depression, and individuals seeking Christ. I am very pleased to have my program air every Tuesday on WJYS.

In conclusions, let me state that by supplementing my normal telecast with Channel 62, I have not only increased my reach in the Chicago area, but I have found a television station that I free the Breakthrough Ministry can grow with.

Sincerely,

Dear Mr. Stroud:

With our recent purchase of airtime on Channel 62 we have been able to expand our ability to reach the Greek community. Chicago has proved to be one of the most diverse ethnic cities in the nation. We are proud to be associated with a company that tries to serve all ethnic groups in Chicago.

We are well aware of the Serbian and Arabic programs that presently air on your station. Continue the good work.
